

PSYCHOMANCER ACTIONS

INTERSTITIAL COMMAND

1AP

- ▶ **SUPPORT.** Select one other friendly **HIEROTEK CIRCLE**  operative (excluding **APPRENTAK** and **CRYPTEK**) visible to and within 6" of this operative, or visible to and within 6" of a friendly **DESPOTEK** operative that's visible to this operative. That selected operative can immediately perform a 1AP action for free; it cannot move more than or be removed and set up more than 2" during that action, perform an action it's already performed during this turning point, or perform that action again during this turning point.
- ◆ This operative cannot perform this action while within control range of an enemy operative, or while counteracting.

HARBINGER OF DESPAIR

1AP

- ▶ Place your Despair marker visible to this operative, or on Vantage terrain of a terrain feature that's visible to this operative. When this operative is next activated, is incapacitated or this action is performed again by a friendly operative (whichever comes first), remove that marker.
- ▶ Whenever an enemy operative is within 2" of your Despair marker, your opponent must spend 1 additional AP for that enemy operative to perform the **Pick Up Marker** and mission actions. Whenever determining control of a marker, treat the total APL stat of enemy operatives that contest it as 1 lower if at least one of those enemy operatives is within 2" of your Despair marker. Note this isn't a change to the APL stat, so any changes are cumulative with this.
- ◆ This operative cannot perform this action while within control range of an enemy operative.
