

# FACTION RULE

## STRIKING SCORPION ASPECT TECHNIQUE

### STRIKE AND FADE

---

Masters of the hit and run attack, Striking Scorpions withdraw from combat as suddenly as they strike, disappearing into shadow like murderous spirits.

Use this **ASPECT TECHNIQUE** when a friendly **STRIKING SCORPION** operative incapacitates an enemy operative while fighting or retaliating, and is no longer within 3" of enemy operatives. Change that friendly operative's order to Conceal and it can immediately perform a free **Dash** action, even if it's performed an action that prevents it from performing the **Dash** action.
