

# DEATH KORPS💀

## STRATEGY PLOY

### REGROUP

Even in the confusion of combat, the Death Korps of Krieg retain their focus, returning to formation as they destroy the enemy with accurate las fire.

**SUPPORT.** Select one friendly **DEATH KORPS💀** operative that's more than 3" from enemy operatives. Each other friendly **DEATH KORPS💀** operative within 5" of that operative and not within control range of enemy operatives can immediately perform a free **Dash** action in an order of your choice, but each that does so must end that move closer to that operative. Note that a Comms Device from universal equipment only affects the second distance of this rule.

You cannot use this ploy and the Chronometer faction equipment **STRATEGIC GAMBIT** during the same turning point.
