Call The Kill: STRATEGIC GAMBIT if this operative is in the killzone. Select one enemy operative to be your mark for the turning point. Whenever a friendly **FARSTALKER KINBAND** operative is shooting against, fighting against or retaliating against your mark, that friendly operative's weapons have the Balanced weapon rule. Whenever your mark is incapacitated, you can select a new enemy operative to be your mark for the turning point (and can continue to do so during this turning point).

Victory Shriek: Whenever your mark is incapacitated, you can select one friendly **FARSTALKER KINBAND** operative within 6" of this operative. Until the end of the battle, that operative's weapons have the Balanced weapon rule. Each friendly operative can only be selected for this rule once per battle.
