

PSYCHOMANCER ACTIONS

NIGHTMARE SHROUD

1AP

- ▶ Until the start of this operative's next activation, until it's incapacitated or until this action is performed again by a friendly operative (whichever comes first), whenever an enemy operative within 4" of this operative is shooting, fighting or retaliating, your opponent cannot re-roll their attack dice and cannot retain attack dice results of less than 6 as critical successes (e.g. as a result of the Lethal, Rending or Severe weapon rules).

- ◆ This operative cannot perform this action while within control range of an enemy operative.

VISION OF MADNESS

1AP

- ▶ Select one enemy operative visible to this operative. Until the start of this operative's next activation, until it's incapacitated or until this action is performed again by a friendly operative (whichever comes first), that selected operative gains one of your Madness tokens.
- ▶ Whenever your opponent would activate an enemy operative that has one of your Madness tokens, you can roll one D6: if the result is equal to or higher than that enemy operative's APL, they cannot activate it during this activation. If that operative is successfully activated, or there are no other enemy operatives eligible to be activated, remove its Madness token.

- ◆ This operative cannot perform this action while within control range of an enemy operative.
