## CALL THE STORM

1AP

- ▶ **PSYCHIC.** Remove your Storm marker from the killzone (if any), then place it in the killzone.
- ▶ **PSYCHIC.** Alternatively, instead of resolving the above effect, select one friendly **WOLF SCOUT** operative. Until the start of this operative's next activation, until it's incapacitated or until it performs this action again (whichever comes first), whenever that friendly operative is within your **STORM** and more than 3" from the active operative, it's obscured.
- ◆ This operative cannot perform this action while within control range of an enemy operative.
