**Doctrine Warfare:** You can do each of the following once per battle:

- Whenever you would use the Combat Doctrine strategy ploy and then select Devastator, if this operative is in the killzone, it costs you OCP.
- Whenever you would use the Combat Doctrine strategy ploy and then select Tactical, if this operative is in the killzone, it costs you OCP.

**Chapter Veteran:** At the end of the Select Operatives step, if this operative is selected for deployment, select one additional **CHAPTER TACTIC** for it to have for the battle. Unlike primary and secondary **CHAPTER TACTICS**, you don't have to select the same one for each battle in a campaign or tournament.
