

ANGEL OF DEATH

FIREFIGHT PLOY

ADJUST DOCTRINE

Adeptus Astartes kill teams adapt their strategies on the fly to overcome the foe. Swiftly traded hand signals and abrupt vox exchanges herald a shift in doctrine.

Use this firefight ploy during a friendly **ANGEL OF DEATH**  operative's activation, before or after it performs an action. If you've used the Combat Doctrine strategy ploy during this turning point, change the **COMBAT DOCTRINE** you selected.
