## MARKED FOR THE HUNT

1AP

► Remove your Pech'ra marker from the killzone (if any). Then place your Pech'ra marker visible to this operative, or on Vantage terrain of a terrain feature that's visible to this operative. Whenever a friendly **FARSTALKER KINBAND** operative is shooting an enemy operative that has that marker within its control range, that friendly operative's ranged weapons have the Seek Light weapon rule.

► At the start of this operative's next activation or if it's removed from the killzone (whichever comes first), remove your Pech'ra marker from the killzone.

◆ This operative cannot perform this action while within control range of an enemy operative.
