Balefire: Whenever a friendly **MANDRAKE** operative is shooting an enemy operative that has one of your Balefire tokens, add 1 to both Dmg stats of that friendly operative's ranged weapons, and those weapons have the Saturate weapon rule. Whenever an operative is shooting a friendly **MANDRAKE** operative that has one of your Balefire tokens, subtract 1 from both Dmg stats of that operative's ranged weapons (to a minimum of 1).
