**Guidance and Experience:** Once during each of this operative's activations, you can select one other friendly **SCOUT SQUAD** operative visible to it. Until the end of that operative's next activation, add 1 to its APL stat.

**Astartes:** During this operative's activation, it can perform either two **Shoot** actions or two **Fight** actions. If it's two **Shoot** actions, an Astartes shotgun, bolt pistol or boltgun must be selected for at least one of them. This operative can counteract regardless of its order.
