

ELUCIDIAN STARSTRIDER👤 FACTION EQUIPMENT

IMPROVED COORDINATES UPLINK

Coordinated triangulation undertaken by Navis Imperialis operatives allows the *New Dawn*'s weapon batteries to more accurately target the foe.

Whenever a friendly **ELUCIDIAN STARSTRIDER👤** operative is using a **PRIVATEER SUPPORT ASSET**, if the target is within 6" of a friendly **ELUCIDIAN STARSTRIDER👤 NAVIS** operative, the target cannot be obscured and that weapon has the Saturate weapon rule.
