Incite the Hunt: Whenever this operative incapacitates an enemy operative from more than 2" away, before that enemy operative is removed from the killzone, you can increase the **GORE TANK** of one friendly **GOREMONGER** operative within 8" of that enemy operative.

Whenever this operative inflicts damage on an enemy operative with either profile of its dual autopistols but doesn't incapacitate it, that enemy operative gains one of your Bleeding tokens (if it doesn't already have one). During a friendly **GOREMONGER** operative's activation or counteraction, before or after it performs an action, if it's within 8" of an enemy operative that has one of your Bleeding tokens, you can remove that token and increase that friendly operative's **GORE TANK**.
