

These operatives have their faction keyword replaced in all instances on their datacards with **INQUISITORIAL AGENT** (unless they already have it). You cannot use ploys and equipment associated with a **REQUISITIONED** operative's former faction keyword, and you cannot use a **REQUISITIONED** operative's former faction rules unless specified on their Inquisitorial Requisition card (it only applies to those **REQUISITIONED** operatives). Note that with their new faction keyword, **REQUISITIONED** operatives can interact with the **INQUISITORIAL AGENT** rules.

For example, a **REQUISITIONED VOX-OPERATOR** operative from the **DEATH KORPS** group would have its **DEATH KORPS** keyword replaced in all instances on its datacard with **INQUISITORIAL AGENT**. This allows you to select any other friendly **INQUISITORIAL AGENT** operative for its **Signal** unique action. However, the Guardsman Orders faction rule isn't permitted, so its Relay Orders additional rule would be ignored. It would now also be a valid operative for the **INQUISITORIAL AGENT MYSTIC** operative's **Scry** unique action.
