

That operative must be set up in a location it can be placed and cannot be set up with any part of its base underneath Vantage terrain. In addition, unless it's the **Charge** action, it cannot be set up within control range of an enemy operative. It can continue moving after a **BOOST** if it has any move distance remaining and the action allows it.

In a killzone that uses the close quarters rules, e.g. Killzone: Tomb World, the x" cannot be measured over or through Wall terrain, and that operative cannot be set up on the other side of an access point – in other words, it cannot **BOOST** through an open hatchway.
