MURDERWING

# FIREFIGHT PLOY

## LONG FORGOTTEN HONOUR

Debased traitors all, Murderwings retain no codes of martial honour.

Use this firefight ploy when a friendly **MURDERWING** operative is fighting or retaliating, when you resolve a critical success. Instead of striking or blocking, end that sequence (any remaining attack dice are discarded) and immediately perform a free **Fall Back** action up to 3" with that operative (then the **Fight** action ends). That operative can do so even if it's performed an action that prevents it from performing the **Fall Back** action.
