

FARSTALKER KINBAND FACTION EQUIPMENT

PIERCING SHOT

The Kroot make use of many forms of specially crafted ammunition. Bullets tipped with hardened alloys can punch through cover and armour alike.

Once per turning point, when a friendly **FARSTALKER KINBAND** operative is performing the **Shoot** action and you select a Kroot rifle, Kroot scattergun or dual Kroot pistols (focused), you can use this rule. If you do, until the end of that action, that weapon has the Piercing 1 weapon rule. You cannot use the Piercing Shot and Toxin Shot rule during the same action.
