

FARSTALKER KINBAND

FACTION EQUIPMENT

TROPHY

Kroot Farstalkers seek to cut down the most powerful of foes. They will aggressively pursue any enemy they judge worthy and harvest trophies from the corpse.

Once per battle, during a friendly **FARSTALKER KINBAND** operative's activation (excluding **HOUND**), before or after it performs an action, if it's not within control range of enemy operatives, you can use this rule. If you do, add 1 to that friendly operative's APL stat until the end of its activation.
