Machine:

- This operative cannot be activated or perform actions if it's within control range of an enemy operative, or if a friendly **IMPERIAL NAVY BREACHER** **SURVEYOR** operative has been incapacitated. The turning point can end even if this operative is still ready.
- This operative cannot perform any actions other than **Charge, Dash, Fall Back, Reposition** and **Spot**.
- It cannot retaliate, assist in a fight, climb or jump.
- Whenever determining control of a marker, treat this operative's APL stat as 1 lower. Note this isn't a change to its APL stat, so any changes are cumulative with this.
- Whenever this operative has a Conceal order and is in cover, it cannot be selected as a valid target, taking precedence over all other rules (e.g. Seek, Vantage terrain) except being within 2".
- Whenever determining what's visible to this operative, draw the line from any part of the miniature.
